

Rev. G. Todd Williams
President
Alum Board of Directors

Since graduating from Louisville Presbyterian Theological Seminary in 1999, the Rev. G. Todd Williams has been serving congregations in Southeast Texas near Houston. Becoming part of the Christian Church (Disciples of Christ) new church development in 2002, Williams was awarded the Todd Brakovich Peace Fellowship Award in 2004 for the work he was doing with teens living on the streets of Houston.

While also serving as a chaplain in the Texas Medical Center, he was instrumental in creating the "Art and Soul of Healing" gallery at Memorial Hermann Hospital. The gallery offers a place where patients and their families may go to sit and meditate, while providing an opportunity for patients and staff to express the gifts of healing through shared pieces of art.

Williams is married and has two grown children, and is the father of two of the "smartest and most beautiful grandchildren in the world." He has recently been called to serve as a chaplain for Houston Hospice.

1. Favorite Food

Easier to say what food I dislike: anything tofu. Like: any flavor of Blue Bell Ice Cream.

2. Favorite Movie

I have been turned onto the DC and Marvel movies. I used to watch "Dr. Zhivago" when I was depressed. "Mary Poppins" when I wanted to feel good. "Hairspray" when feeling whimsical, and "Field of Dreams," just because.

Since I'm married to an actor, I suppose I should mention some of his movies that he's in are my favorite. LOL ... Nah, I will stick to my likes! If he reads this, it should generate some laughs. Recently I watched "Carmen: A Hip Hopera" with him, where he just mumbles, "Yeah, I'm in this movie." Three minutes later, there he is on screen.

3. Favorite Book

Currently it is *Goodnight, Moon*. My grandson loves it!

4. Favorite Band/Musician

FREDDY!!!! Freddy Mercury and Queen, that is. Totally rocked to them in the blazing sun at a concert in Chicago in the late 80's. George Benson and Quincy Jones for sure.

And my dad. He sang at Carnegie Hall as a young man, directed the choir at church when I was a kid, and directed the Banks of the Wabash Barbershop Chorus for 16 years.

5. Beach or Mountains?

I LOVE the Uinta Mountains in Northern Utah and Southwest Wyoming and the Windrivers. As far as beaches, I live ten minutes from the beach and wish that I had more time to walk the coastline.

6. Introvert or Extrovert?

Okay Myers Briggs followers, I am an ENFJ. Go figure (LOL)! While my "E" has gotten smaller, and I must admit, I am learning to appreciate my alone times, the rest is pretty clear.

7. Random Fun Fact About Yourself

I have a Tommy Tune award for costume design.
