Our hope is for the student to get a variety of experiences which might include some or all of the following:

- Help provide leadership for a fellowship group (such as Children's Fellowship, Youth Group, the Young Adult Group, or a new small group)
- Work with a ministry Council as a resource person
- Preach one time/semester
- Serve as liturgist
- Participate in weekly staff meetings and worship planning
- Attend Session meetings
- Teach a Sunday school class
- Visit hospitals and nursing homes as time allows
- Be a part of a particular mission/outreach effort such as the ELL ministry or evangelism

In addition, we hope to give opportunity for the unique gifts and passions of the intern to be able to enhance our life and ministry however that might unfold.
