Remote Access and Use of Commentaries (Ebooks) and the ATLA Religion Database for Exegesis

This pictorial guide is for current students and the LPTS learning community.

Step 1: Start at lptslibrary.blogspot.com. Follow Remote Access to Ebooks and Databases link at the top.

Follow Step 2 to retrieve Commentaries and Steps 3 on for ATLA Religion Database

Step 2: At the Digital Resources Guide follow the Link to Finding Commentaries and you can retrieve full-text Commentaries.
Step 3: At the *Digital Resources Guide*, follow the link to Finding articles, book chapters, ebooks, and videos and this will take you to the ATLA Religion Database with Serials

Step 5: Login in using your library barcode and password.

![Login Page](image)

If you do not remember your username or password, please contact the library at (502) 952-5398
Step 6: Once you’re in EBSCOHOST make sure that you have the ATLA Religion Database chosen. Follow the Scriptures link at the top of the screen.

Step 7: Select the Bible book and Chapter you want from the ATLA Hierarchical Scriptural Authority screen/page and click Expand.
Step 8: Then choose the verse

Step 9: The search for *Exodus* Chapter 1, verse 1 retrieved 199 results of which have some commentary or interpretation. Applying limits of full text reduced the number to 83, scholarly journals reduced it to 75, and language English to 54. The results are sorted by relevance and if you want, sort them by newest first. Dates are also available as limits.
